BRAND IDENTITY · VERSION 1.0

Turnly

Take turns. Get paid.

Arisan, reimagined onchain. Save with people you trust, with no treasurer and nothing hidden.

Warm

Transparent

Effortless

Brand violet · #7D66FF

02 · LOGO SYSTEM

A ring, a dot, one turn.

The mark is an open ring that stands for the savings circle. The solid dot is the member whose turn it is. The wordmark is drawn with the same round, monoline stroke, so the two read as one piece.

03 · COLOR AND TYPE

Violet with room to breathe.

One confident violet, sampled from the reference color, set against calm neutrals. Mint is reserved for money arriving, so it always means good news.

PALETTE

PRIMARY

Brand Violet

#7D66FF · RGB 125 102 255 · HSL 249° 100% 70%

Sampled from the reference image. For large surfaces, icons and the mark.

04 · VOICE AND APPLICATIONS

Friendly enough for any arisan.

Turnly talks like a trusted friend who keeps the list. Plain words, short sentences, and no crypto jargon in the main experience.

PERSONALITY

- **Warm**
  Like a friend who keeps the list: friendly, never corporate.
- **Transparent**
  Every payment and every turn is visible to everyone in the group.
- **Effortless**
  No wallets to explain. Log in with email, tap pay, done.

SAY THIS, NOT THAT

Pay your share	~~Deposit funds~~
The pot	~~Liquidity pool~~
Your turn	~~Payout epoch~~
Pot paid out	~~Disbursement executed~~
Invite a friend	~~Add counterparty~~
